RESOLUTION NO. \_\_\_\_\_

RESOLUTION DIRECTING THE COUNTY MANAGER TO  
DETERMINE AVAILABLE AND FEASIBLE LOCATIONS  
FOR PERMANENT COLLECTION CENTERS FOR THE  
PURPOSE OF MAKING AVAILABLE HOME CHEMICAL  
COLLECTION DROP OFF LOCATIONS THROUGHOUT THE  
COUNTY

**WHEREAS**, the population of Miami-Dade County is continually growing and with the result that it is moving further and further away from the central locations of the County; and

**WHEREAS**, the proper disposal of home use chemicals is important to the continued protection of our drinking water supply and the environment in Miami-Dade County; and

**WHEREAS**, it is important for the County to provide home chemical collection drop off points which are conveniently located throughout the County and particularly in the south portions of the County for the use of the residents of Miami-Dade County; and

**WHEREAS**, these home chemical collection drop off locations should be permanent to allow the residents to become familiar with their location,

**NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF MIAMI-DADE COUNTY, FLORIDA**, that the Board hereby directs the County Manager to determine available and logistically feasible locations in southern Miami-Dade County and elsewhere for additional home chemical collection drop off sites. These home chemical collection drop off locations should offer consistent hours of operation. The Manager should also compare the cost effectiveness of providing temporary storage options and providing periodic shipment to the County's current facility instead of replicating additional permanent collection centers. A report should be provided to this Board within 90 days.

The foregoing resolution was sponsored by Commissioner Katy Sorenson and offered by  
Commissioner \_\_\_\_\_, who moved its adoption. The motion was seconded by  
Commissioner \_\_\_\_\_ and upon being put to a vote, the vote was as follows:
